Greeting

Hi! My name is Zoey, and I'm helping with the Mac & Cheese Cook-Off fundraiser for our local fire department on October 17.

It's a super fun community event — food, voting chips, prizes, entertainment — and all proceeds support our firefighters and the Gratiot Emergency Services Authority.- they are looking to buy a blow up structure to help educate the community at school s and community events. There is more info on the flyer!

Why I'm Here

I'm stopping by to invite your business to be part of the event. We're hoping to get local groups involved in simple, meaningful ways.

Ways Your Business Can Participate

You can choose one or more of these:

Bring a side dish or dessert- this is what we are really hoping for!!

Give a short thank-you /testimonial message on the mic to our department

Or enter the Mac & Cheese Cook-Off for \$25 with prize payouts for 1st, 2nd, and 3rd place

OF course donations are always welcome, and the QR ccode and options to do so are on the flyer.

Dish Sign-Up & Reminders

If you choose to bring a dish, you'll sign up directly with me, and I'll make sure you get reminders as the event gets closer. We're keeping a list of what everyone is bringing so we don't end up with ten taco salads in a row — just to keep things fun and varied.

Business Cards Display

We also invite you to bring a small stack of your business cards. We'll place them right in front of your dish or dessert so the community can connect with you in a positive, organic way. It's a great chance for visibility and goodwill.

Why It Matters

Your participation helps make the event welcoming, entertaining, and successful — and it shows our firefighters how much the community appreciates them.

Logistics

The event is on October 17. If you'd like to sign up, I can take your info right now, or you can scan the QR code on the flyer.

Warm Close

Thank you so much for your time. We'd really love to have your business involved — it makes a big difference for our community and our fire department.
